RE: Lard, Darius J.

OFFENSE: Possession of Marijuana.

SENTENCE: The defendant was sentenced to one (1) year pre-judgment probation pursuant to 18 U.S.C. §3607 with the special conditions as listed on page one (1).

ADJUSTMENT TO SUPERVISION: The defendant's overall adjustment has been marginal. He has reported to the probation office as directed, maintained a stable residence with his mother and has remained gainfully employed as a laborer with American Disposal Services. He also continues to participate in substance abuse treatment with National Counseling Group and has remained in compliance with the program requirements.

The defendant was initially under the supervision of U.S. Probation Officer Sherylle Gant and transferred to this officer in October 2018 for administrative reasons. In September 2018 the defendant failed to report for a scheduled drug test and admitted to Officer Gant that he had used marijuana on September 21, 2018. Officer Gant submitted a violation notice to the Court requesting no action in lieu of increased testing and participation in substance abuse treatment. The Court approved the no action request on October 12, 2018.

VIOLATIONS: The following violations are submitted for the Court's consideration.

MANDATORY CONDITION: NEW LAW VIOLATION – FAILURE TO DISPLAY LICENSE TO A UNIFORMED OFFICER ON DEMAND.

On February 3, 2019, in Harford County, Maryland, the defendant received a traffic citation for the above listed infraction following a traffic stop. The infraction carries a \$50.00 fine should the defendant not wish to make a court appearance.

STANDARD CONDITION: UNAUTHORIZED TRAVEL OUTSIDE THE JUDICIAL DISTRICT.

On February 3, 2019, the defendant traveled to Philadelphia, Pennsylvania, without authorization from the probation officer. On February 6, 2019, the defendant admitted to this officer that he traveled without authorization when discussing the traffic citation that was issued in Harford County, Maryland.

MANDATORY CONDITION: USE OF MARIJUANA.

On February 6, 2019, the defendant submitted a urine specimen that screened and has since confirmed positive for marijuana metabolite reflecting new use of the substance.

STANDARD CONDITION: PROVIDING UNTRUTHFUL INFORMATION TO THE PROBATION OFFICER.

On February 6, 2019, while addressing the other above listed technical violations with this officer, and prior to submitted the above-referenced drug test, the defendant advised this officer that he had refrained from any illicit drug use since his last urinalysis submitted on January 18, 2019.
